

Jeremiah Green, Ed.D

Dr. Jeremiah Green was born in Prattville, Alabama. He was raised on a farm and comes from a very large family. He's married to Giliane (pronounced Jillian) Green, and has a son, Micaiah (pronounced Ma-Kiah), and three daughters, Zarahiah (pronounced Za-Riah), Annaiah (pronounced A-Niah), and Moraiah (pronounced Mor-Riah).

At the age of fifteen, God confirmed Dr. Green's call to ministry through a dream. Later, God inspired him to attend Oakwood College (now Oakwood University) where he graduated with a BA in Ministerial Theology, Andrews University, where he completed his Master's degree in Divinity, and National University where he completed his Doctorate in Early Childhood Education.

Dr. Green started his ministry in 2003 with the Potomac Conference as the first candidate in a pilot-program called "Living Lab" sponsored by the Columbia Union, North American Division, and Community Praise Center (CPC—Pastor Henry Wright's church). Following a year of **observation** at the CPC SDA Church in Alexandria, VA, Dr. Green spent a second year of **implementation** at the Vienna SDA Church in Vienna, VA.

In 2005, Dr. Green accepted a call to the Seabrook SDA Church where he served almost 15 years as the Associate Pastor for Children, Youth, and Young Adults in Lanham, MD.

In 2019, Dr. Green joined the Mt. Rubidoux SDA Church as the Associate Pastor for Children in Riverside, CA. He successfully ministered there four years, then accepted a call as an Elementary Chaplain at Loma Linda Academy in July 2023. He also serves as an Associate Pastor for Children at the 16th Street SDA Church in San Bernardino, CA.

Dr. Green strives to **encourage** and **empower** children as they **nurture** personal relationships with Christ at such a young age. Through the ministry of children, Dr. Green believes that Christ has the power to change a generation!

Dr. Green is the founder of ***The Withstanders Inc***, and ***Withstander Academy***, which equips children to be God's superheros. For 8 years, Dr. Green has trained on his Children's Ministry Coaching Network which helps pastors and children's ministry leaders effectively minister to children. He has also traveled to Bermuda, Brazil, Haiti, Africa, and throughout the US equipping leaders and ministering to children.

Dr. Green sums up his saving belief, which motivates his personal mission, with this statement, "I'm confident that no matter how low one has fallen into sin, the grace of God can forgive, cleanse, uplift, empower, and bring about a victorious life."
